McLean County Regional Planning Commission Evolution and History

March 2, 2022

Two Hats of MCRPC

What is a Metropolitan Planning Organization?

The 1962 Federal-Aid Highway Act required the formation of a MPO for all urbanized areas, that is metropolitan areas, with a population greater than 50,000.

MPO's were established to ensure that existing and future expenditures for transportation projects and programs were based on a Comprehensive, Cooperative, and Continuing (3-C) planning process.

MPOs receive federal funding from formula programs for major transportation projects and publishes the following major planning documents:

- Unified Work Program (UWP)
 - Every year, includes all metropolitan transportation planning projects for one horizon.
 - MCRPC submits to IDOT for approval prior to every new Fiscal Year that begins on July 1st.
- Transportation Improvement Program (TIP)
 - Every year with a minimum four year approved list of federally funded transportation improvements.
- Federal Obligated Projects List
 - Every year, includes federal project funding in prior year
- Metropolitan Long-Range Transportation Plan
 - Every 4 5 years with minimum 20 year planning horizon.
- Title VI/Civil Rights Report & Plan
 - Every 3 years
- Public Involvement Plan/Public Participation Plan (PPP)
 - Every 3 years
- Human Services Transportation Plan
 - Updated periodically

MCRPC Overview

Vision

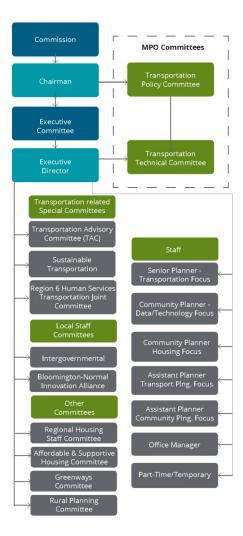

MCRPC is the leader for planning tomorrow's McLean County.

Mission

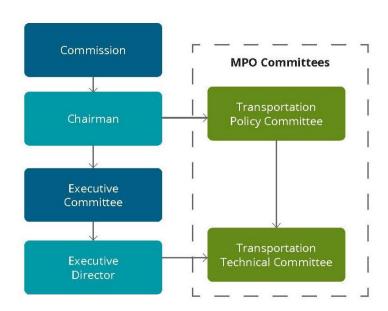

We bring expert planning, deep local knowledge and vibrant public participation as we shape our future to promote opportunity, livability and sustainability.

Values

- Regionalism
- Governance
- Service
- Innovation
- Advocacy
- Inclusion
- Professionalism & Excellence

MCRPC Structure

MCRPC Bylaws

Adopted October 6, 1993, most recently amended on March 3, 2021

1966 - 1979 Timeline

1966
Bloomington and
Normal's
population
exceeded 50,000.

1968

The McLean County
Board formed

MCRPC. The new RPC was also designated as the **Metropolitan Planning Organization** (MPO) and staff was hired.

1972

Commission structure reorganized. MCRPC was designated as the review agency from Title IV.

1975
MCRPC staff

peaked with 10 staff.

1967

- The Commission was organized and adopted a Regional Service Agreement with the County, City and Town.
- U.S. Department of Housing and Urban Development (HUD) certified MCRPC as the **Areawide Review Agency** for all applications for Federal funding in McLean County.

1969

The Commission structure revised from 35 members to 13 members appointed by McLean County, City of Bloomington, Town of Normal.

1974

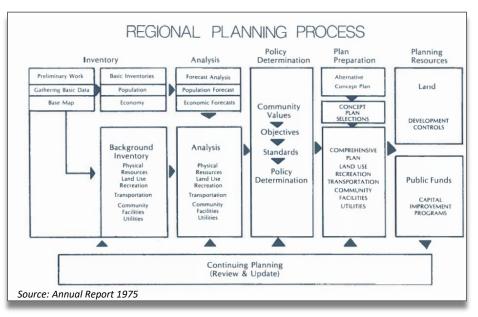

MCRPC hired first transportation planner.

1979

Funding diversified.
United State
Department of
Transportation (USDOT)
and HUD funding were
equal.

1968 - 1979 Tasks and Activities

- Conducted research and planning for transportation.
- Administered a law enforcement program for McLean County with funding by the Illinois Law Enforcement Commission.
- Began creating regional development policy standards, planning coordination, a regional facilities study, a regional housing analysis
- Developed Comprehensive Development Guide.
- Assisted the McLean County Board of Health in developing Human Service Plan for McLean County.
- Prepared an application for the provision of 911 service as required by the state.
- Prepared Comprehensive Plans and Zoning Ordinances for rural communities including Saybrook and LeRoy.
- Prepared Sign Ordinance, Beautification Plan, and Tree Planting policies for Bloomington.
- Established Bloomington West Side Development Committee
- Administered many grants including HUD, IDOT, IEPA, DHS.
- Completed a Financial Impact Analysis Report for annexations.
- Partnered with area hospitals, Bloomington, and Normal to prepare a study analyzing the need and costs for **paramedic** service.

1980 - 1999 Timeline

Transportation funding began to outpace HUD funding, which ceased to be used by end of 1990.

1982

The number of planning staff had fallen to six.

1984

Executive director Herman Dirks succeeded by former principal planner Ken Emmons.

1993

The Commission created an **Executive Committee** to expedite routine matters, and reformed the Commission membership to include the local school districts, the Airport Authority, and the Bloomington-Normal Water Reclamation District.

1997

Developed the first Regional Greenways Plan.

1983

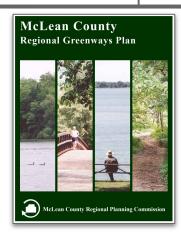

Established a coordinated system of numbering for rural roads in partnership with McLean County Highway Department.

1992

MCRPC began a **reorganization** of the structure of the commission and the professional staff to emphasize long-range planning issues and citizen involvement.

1994

Paul Russell joined the staff as Executive Director.

1980 - 1989 Tasks and Activities

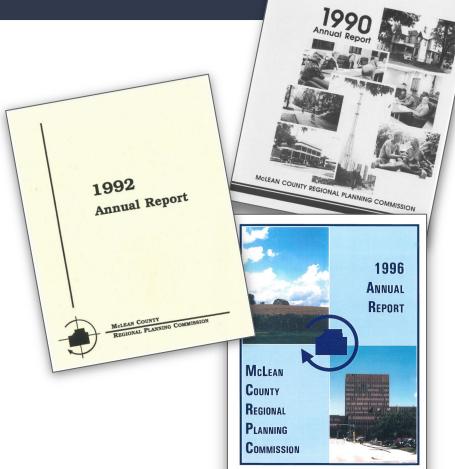

- Coordinated a study of area flooding problems and managed the federal flood insurance program.
- Worked with Bloomington's Department of Urban Development to form a citizens committee to gather public participation for updated recommendations on the Land Use Plan for Bloomington's West Side and creation of the West Side Development Guide.
- Prepared a five-year plan to help with Bloomington's
 Community Development Program.
- Provided planning assistance to McLean County
 Economic Opportunity Corporation.
- Provided population and economic forecasts for the entire county and District 87 student population.
- Began a Solid Waste Management Study.
- Performed energy audits for major McLean County facilities.
- Created Health Care Program recommendations for City of Bloomington in conjunction with City and Township staff.

Shown above is a portion of one of the aerial photographs taken by Aero-Metric Engineering Co., Inc. as a part of the stormwater drainage study

1990 - 1999 Tasks and Activities

- MCRPC reorganized to emphasize long-range planning in light of very rapid growth.
- Developed a McLean County Comprehensive Plan.
- Spearheaded a joint aerial imagery project.
- Served as a driving force in creation of the McLean County GIS Consortium (McGIS).
- Created a draft regional water needs intergovernmental agreement.
- Developed the Southwest Bloomington Plan in response to rapid growth.
- Completed the final report on the Solid Waste Needs
 Assessment.
- Disseminated data from 1990 Census and coordinated 2000 Census efforts.
- Conducted a **historic building survey** for Bloomington.

2000 - 2021 Timeline

Reinvented RPC as a regional partner and began engaging the community more broadly and deeply

2001

MCPRC and others executed the intergovernmental agreement creating the regional **GIS consortium** McGIS and establishing MCRPC as the lead agency.

2013

Executive Director Paul Russell, AICP retired after 20 years heading MCRPC; The Commission selected Vasudha Gadhiraju, AICP as the new Executive Director.

2018

- Regional Housing Initiatives started and Committees were established.
- Normal's Comprehensive Plan won APA-IL Award for outstanding plan.

2020

- Raymond Lai, AICP was selected as the new Executive Director, 2 months prior to the COVID-19 Pandemic
- Received 2020 APA-IL Public
 Outreach Award for Bloomington and Normal's Consolidated Plan.

2009

MCRPC was established as the county coordinator for Region 6 for the Human Services Transportation Plan (HSTP).

2015

Bloomington's Comprehensive plan won **APA-IL Award** for outstanding plan.

2019

Regional Planning Commission became under the umbrella of McLean County Government.

2021

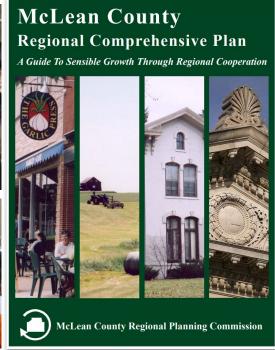

- Received 2021 Public Outreach Award from APA-IL for 2020 Census outreach activities.
- Awarded highly competitive federal Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Planning Grant.

2000-2009 Tasks and Activities

- Instituted Consistency Review process to evaluate land developments against comprehensive plans.
- Established Community Information Forum, the first year's theme was "How Good Planning Can Make Your Community Attractive to People and Business".
- Updated Bloomington and Normal's Comprehensive Plans as well as those for rural communities including Chenoa.
- Completed plans for Lexington, neighborhood plan for Bloomington's Dimmitt's Grove Neighborhood, an area plan for North Normal, a regional plan for Logan County with plans for Lincoln, Atlanta, Mount Pulaski, and Elkhart.
- Developed the McLean County Regional Comprehensive Plan in 2009.
- Developed Main Street Redevelopment Plan.
- Disseminated data from 2000 Census and coordinated 2010 Census efforts.

2010-2021 Tasks and Activities

- Began a partnership with the West Bloomington Revitalization Project.
- Updated the natural resource inventory for McLean County.

Completed **BN Home, the first regional housing study since the 1970s** and the **regional Consolidated Plan** for Bloomington and Normal's Community Development Block Grants (CDBG).

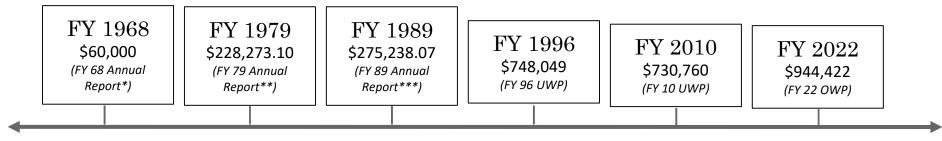

- Regional Housing Initiative, led by MCRPC, began.
- Greenways Advisory Committee re-structured and re-focused.
- MCRPC was the lead agency for indicators and metrics task force for BN Advantage.
- Partnered with area hospitals, McLean County Health Department and others in developing the first Regional Health Plan.
- Developed and adopted Go:Safe McLean County Action Plan, a transportation safety plan.
- Agreement executed with Connect Transit to provide technical assistance and planningservices.
- Initiated relationship with Illinois State University for hosting Stevenson Fellows.

Budget Through the Years

Initial funding came only from the local governments, but by the end of 1969, 47% of the proposed 1970 budget came from HUD. In the 1980s, HUD funding ceased and by the late 1990s, federal transportation funding became the greatest portion of consistent funding.

5 Fiscal Years

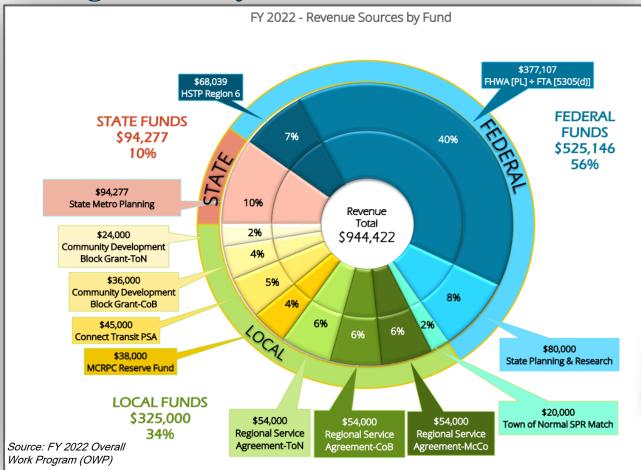

- Federal: October 1st September 31st
- State (UWP): July 1st June 30th
- County (OWP): January 1st December 31st
- City of Bloomington: May 1st April 30th
- Town of Normal: April 1st March 31

^{*}FY 68 was reported for December 1st, 1968 - November 30th, 1969

^{**}FY 79 was reported for December 1st, 1978 - November 30th, 1979

^{***}FY 89 was reported for January 1st, 1989 - December 31st, 1989
